## *2018 NEDS Daylily Exhibition*

On Saturday July 14<sup>th</sup>, 2018, the New England Daylily Society's Accredited Daylily Exhibition was held at Tower Hill Botanical Garden, in Boylston Massachusetts. I'm pleased to announce there were 156 entries, which is an increase from last years 107. Well done!. Thanks to all who took the time to submit their scapes. As in years past the attendance has steadily increased. Crowds were lining up to buy daylilies, the auditorium was filled with people listening to Deb Carpenters presentation and demonstration and then lining up anxiously awaiting opening the doors to the Exhibition Display.

The success of the Exhibition, is due to the efforts of the many volunteers. Thank you to all who helped make this a fun and successful day. A special thanks to Dan Pessoni, the Exhibition Co-Chair who was in charge of getting the judges and clerks needed for the Exhibition. Thanks to the following:

Mike Sczerzen, for setup and breakdown of the show. I and many others will miss Mike, as he has purchased a home in Maine, which unfortunately is too far to travel for NEDS meetings. Good luck in your new home.

Deb Carpenter the Exhibition Program Chair. Deborah Myrick and Adele Keohan Classification and Tabulation, Richard Blanchard for Placement, Donna Carkin for producing the Award Certificates, Carol Canning and Roberta Lavalley for selling the plants at the NEDS table. Nancy Stern for revamping the Off-Scape display and working the membership table. Jean Doherty and Janet McOsker for putting together the Exhibition Workers luncheon, delicious as always.

Congratulations to Michael Sczerzen for once again winning Best in Show for his Unusual Form, PAWS AND STRIPES.

## *NEDS Picnic and Auction at Greene Acre Garden —JULY 21, 2018*

On July 21st 2018 NEDS held again a picnic and auction instead of the May sale. We visited and toured the Greene Acre Garden, owned by Ruth and Steve Greene, located in Sudbury, MA. The day was beautiful and not too hot. We enjoyed the garden and the electric train very much. After our picnic—the food was excellent as always—we held our auction. The selection of daylilies to be auctioned off was great.

Thank you Ruth and Steve for opening your garden to us and thank you Denise Pavlovich and all the helpers for organizing it all.

*AHS REGION 4 Meeting Nova Scotia, Canada July 27-29, 2018*

The weekend started off on Friday afternoon and evening with a meet and greet hosted by our conference organizer, Michelle Mercier and her family, who opened her home and garden to us for a tour and a barbecue.

On Saturday morning, we went to Harbour Breezes Daylilies with host Alan Banks. We toured the garden and many daylilies and janesie Irises this seaside garden has to offer. We finished our tour and went to a local venue the "Salmon River Inn" for dinner, guest speakers, silent auction and plant auction.

On Sunday we went to the plant inspection and got the necessary paperwork to bring our plants to the US. Next we drove to Truro to visit two gardens. The first was hosted by Cecil Dunlop - Pheasant Daylilies, and the second by Norm Patton at his home. Each location had a great display of daylilies and garden art. - Elisabeth Murphy
